PROFILE

Marketer with six years across ecommerce, social media and content. Co-founded Solemate, a physical and online sneaker store, and ran its marketing, weekly email and store operations to R350K+ GMV. Created content for Shesha, Asics and Superbalist, and now runs Well Dunn Group, building websites and go-to-market plans for clients. Uses Meta Business Suite, GA4 and Shopify daily, with working knowledge of SEO and email marketing. Available for full-time remote work on US Pacific hours.

EXPERIENCE

Founder | Well Dunn Group (Digital Marketing & Web) — Jan 2026 to Present

- Build go-to-market strategies for client launches, including SEO plans and Google Ads campaign plans.
- Built websites for VSN DIGTL and 2ndPhase Computing, including brand identity for 2ndPhase.

Content Creator & Brand Partnerships | SneakerVaultSA (YouTube and Instagram) — 2020 to Present

- Create YouTube reviews, outfit looks, Reels, unboxings and stories twice a month for brands that send product and pay for content.
- Pitched a review idea to Shesha and became a repeat creator for about six months, working with their marketing team on about ten shoes.
- Made content for Asics (about four pieces), Superbalist (three outfit looks), Converse (reviewed multiple pairs), Reebok and Puma (multiple sneaker looks), Nike, Sportscene, YSL and Adidas (since 2020).

Co-Founder & Head of Marketing and Community | Solemate (sneaker store) — 2021 to 2024

- Grew the Instagram page from 0 to 1,600 followers in four months. Lookbook reels averaged about 3.4K views and helped drive R350K+ GMV and 25% revenue growth.
- Ran a R1,000 Meta ad for an Air Force 1 listing that returned about R10,000 in sales (10x the spend), plus several enquiries about the pair at the store.
- Led the store launch: built and designed the store in one week and planned the launch party with an agency, including the influencer list, invitations and event emails. Yomzansi and people in the sneaker industry covered the event.
- Sent weekly new-release emails through Shopify, lifting traffic to about 50 website visitors a day. Ran a Valentine's giveaway with about 350 entries and launched Pre-Loved, a used-sneaker category, with about 200 pairs signed up.
- Led logistics, making sure sneakers arrived on time and working with our delivery companies. Helped make Solemate the first sneaker store on Uber Eats.
- Led the team on the Instagram layout and post design and planned the content calendars for Instagram, TikTok and Facebook.

Depot Supervisor | Samuels Oil (Samuels Group) — Aug 2018 to Mar 2019

- Supervised the depot, sold Veedol lubricants to factory clients and managed stock and the fleet.

Sales Assistant | Adidas — Jun 2015 to Dec 2017

- Sold footwear and apparel for a global sportswear brand, handled stock and worked the tills.

CONTENT & PERSONAL BRAND

- 928,900+ YouTube views, 17,000+ watch hours and 4,300+ subscribers. 12.3K Instagram followers.
- Delivered a branded content brief for Russian Bear in YFM's King of Kicks Vault Edition competition.
